01

Project 1

For this project, My concept is the plants in the forest, the most important part is the leaves. The feel of the clothes in this collection is elegant and elvish.

Project 2

For this project, My topic is rainy days in the city. In the city where I live, it rains continuously for part of every summer. The clothing in this collection is mainly made of waterproof fabric, which is suitable for rainy days.

Fashion illustration

For this part, there are the drawing works by hand and Adobe Illustrator. My theme is red and green checkered. In this course, I learned the use of AI, mainly including drawing style map, changing the color of cloth and filling the pattern map of clothing.

CHERRY CHENG

Fashion Design

Profile

I am an excellent Fashion designer who has foundation of art and design. Additionally, due to the different study experience of art and engineer from other designers, I have unique thinking ability of fashion. My passion for fashion design makes me always enjoy creating new artworks, patterns and garments with my hands and all materials I can use.

Language

English: Conversational
Mandarin: Native

Professional Skill

Education

2023 IMFA of Fashion Design
Academy of Art University, San Francisco.

2018 IBFA of Fashion Design
Academy of Art University, San Francisco.

2017 IBE·Bachelor of Engineering
JiLin University, China

Experience

2019~2022·Take Fashion Courses
- Attend School Fashion Week
- Completed 23 Projects
- Took 3D Design class to develop more high level garments
- Took Fashion Design class to study the way to do fashion collections
- Took Construction of Fashion to learn how to sew different kinds of clothes
- Took introduction of Fashion

2018·Coplete my 1st Portfolio
I started to learn about fashion collection and did research for the information about fashion and trends, and I finished my first portfolio this year.
Then I applied to be a student in AAU, and started my undergraduate program.

2017·Begin to Design for people
When I was in university in China, I've began to design garments for my classmates and friends. For exmple, I designed uniforms for my class before I graduated.
